Eligibility for Classes

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. Limited Agility Shows, special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge within course time will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw.

Class Structure

A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression

Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, **at either Full Height or the Lower Height Option**, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Lower Height Option

Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two height with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or at the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

Points Progression

At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

Standard Classes

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary at least 14 days before the date of the show. 20. In the event that the show is cancelled due to unforeseen circumstances, Kelluki Agility will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, the competitors will be refunded in the manner in which they had entered the show, but in any event, Kelluki Agility will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.

21. Except for mobility aids, nothing shall be carried in the hand or while the dog is under test and food shall not be given to a dog whilst in the ring.

22. Should the judge deem a re-run is required, any results and/or faults gained in the previous run must be discounted.

23. Separate entry forms must be completed by each owner and must be signed by the owner or his authorised agent in accordance with the provisions specified thereon. Entry forms must be accompanied by the appropriate fees.

24. No practice is allowed on the course, save that competitors will be allowed to walk the course without their dogs before the test begins.

25. Competition of Dogs suffering from Contagious or Infectious Disease – No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Competition may compete. Competitors infringing the Regulation will be liable to be fined and/or dealt with under Kennel Club Rule A11.

26. It is the competitor's responsibility to be available for their Class and Running Order. Competitors must run as close to their running order as possible. Failure to do so may be reported to the Kennel Club.

27. No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the General Committee.

However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

28. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete (ATC) number before entry to the show/event can be made. All overseas entries without a Kennel Club Registration number or an Authority to Compete number will be returned to the exhibitor/competitor.

29. A pay on the day class will be held if time permits.

30. Welfare of Dogs – An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. d) Width: 1.219m (4ft) minimum.

32. Dog Agility is a competitive and physically strenuous activity. It is the responsibility of the owner/handler to ensure their dog is 'fit for function' and that they themselves are fit to take part. By signing the entry form you confirm that to the best of your knowledge your dog is fit and able to take part in Agility classes on the day of the show.

33. If a dog should foul, handler or owner must clean it up as soon as possible.

34. Due to the number of classes, time limits may be set at the discretion of the Judge.

35. In the event of any cheque or money order not being honoured when first presented to the bank the exhibitor shall be held liable for any bank charges or fees incurred, If the entry fee and such charges are not paid immediately upon request the exhibitor will be reported to the Kennel Club and will be dealt with by the Kennel Club Committee.

36. In the event of a competitor having any complaint or concern they should raise this with the Judge, Ring Manager or Show Manager as appropriate whereupon it will be dealt with accordingly. Any inappropriate behaviour and/or abuse towards any member of the Ring Party and/or the Judge will not be tolerated. Any individual persisting in this behaviour will be asked to leave the show immediately.

37. For the purposes of show processing and scoring at the event, your details will be entered into a computer system and stored in accordance with GDPR. Show results will be published online at agility-time.net.

38. Exercise Area - We are very lucky to have the opportunity to run these shows at such a lovely venue, but please note that Merrist Wood is an Agricultural College, with students and livestock on site at all times. For this reason, we do not have the option of offering an off-lead exercise area for your dogs. Whitmoor Common is just a few minutes away from the venue, off of Salt Box Lane, and we hope this will be a suitable alternative for anybody wanting to exercise their dog off -lead during the show.
